EXPERIENCE

As a recent graduate in Computer Science and a certified Full Stack Developer from GUVI, I am currently seeking my first professional opportunity in the software development field. During this period, I am consistently enhancing my coding skills through platforms like HackerRank, building personal projects, and staying updated with industry practices. I am open to full-time roles where I can contribute, learn, and grow as a developer.

SKILLS

PROGRAMMING LANGUAGES
LIBRARIES/FRAMEWORKS
TOOLS / PLATFORMS

HTML5, CSS3, JavaScript (learning)
reactjs(learning), nodejs(learning)
Git&Github, VS Code
